

ADVANTAGE GUARANTEE

- The Advantage Report is better or you don't pay for it!
- We guarantee our Advantage Reports are better than any other Business Information Reports!
- If you do not use the Advantage Reports you will turn down good accounts and approve bad ones.
- If at any time you feel that our Advantage Report is not the best report, simply return it along with the report on the company that you feel is superior and you will not be billed for it.
- Why are we so confident? We have the most commercial collections data, trade payment experiences from multiple databases including banks, a credit score and limit recommendation derived from multiple sources, the most current audited financials available and complete public record filings for bankruptcy, judgment, tax liens and UCC filings.
- Our reports are simply the best!
